COVID-19 Reopening Guidance: Fall Activities

- Key Points for Spectators attending extra-curricular events at Knoxville Community Schools:

- Masks are required for spectators
 - Children younger than school-age are not required to wear a mask.
- There will be no limit to the number of spectators at events as long as social distancing can be maintained.
 - Spectators in the same family may sit or stand together, but should social distance from others.
 - All other spectators should use six feet of social distancing.
- Students in 6th grade and younger must sit with their parents throughout the duration of the contest and not in a student section of older kids.
 - Parents of children this age cannot drop these children off at our events unsupervised.
- If masks are not worn by spectators and/or if social distancing is not maintained by spectators, capacity restrictions may have to be enacted at any time.
